CHESS OPENING TRAPS FOR KIDS

ISBN: 978-1911465270 (hardback)
Author: Graham Burgess
AU Release: 1 February 2019
Publisher: Gambit Publications (UK)
Age: Children
Pages: 128 | **Size:** 23 x 17.8 cm
RRP: \$21.95

DESCRIPTION: Chess becomes fun when we learn how to survive the opening and stop falling into our opponents' cheap tactical tricks. And that's what this book is about! By understanding opening play and how to exploit tactical ideas, we turn the tables on our opponents. Now they will be the ones getting outmanoeuvred, tricked, trapped and pushed off the board!

Chess Opening Traps for Kids is a serious course on how to play the opening, illustrated with memorable and entertaining examples. By focusing on 100 key themes, Graham Burgess explains how to use opening tricks to our advantage. Every opening features hidden dangers for both players, so we need to avoid pitfalls while making full use of tactics to achieve the opening goals of purposeful development and central control.

Genre/Themes: non-fiction, chess strategy, games
